

# CFG3\* TS 007

## Euro Profile Cylinder

- 6 pin security cylinder
- Anti-drill
- Anti-plug extraction
- Anti-pick
- Anti-bump
- Anti-snap
- 3 keys per cylinder
- Brass or nickel finish

Responding to market demands, the CFG3\* Kitemarked cylinder boasts 3 star TS 007:2014 accreditation, Secured by Design certification and is PAS 24 compliant.

The 3 star cylinder can be combined with any handle style to achieve the latest security standards. Fully tested, the CFG3\* high security cylinder encompasses the 'big five' security features: Anti-Snap, Bump, Pick, Drill and Plug Extraction – all with a 10 year guarantee.

The cylinders are supplied with 1 x M5 x 40 and 50mm fixing screw and 3 keys as standard. The cylinder is 'open profile' allowing keys to be cut without restriction. Key blanks are available if further keys are required.

**Key Blank:**  
CFG3\*KEYBLANK.

**Box Quantities:**  
Key to differ, keyed alike and knob cylinders – 10 per box.  
Keyed in pairs – 5 pairs per box.
