

TS 007 2* High Security Door Handle

Quality and design offer product longevity

The TS 007 2* handle from Trojan allows fabricators to meet the requirements of TS 007 and Document Q when fitted and tested alongside a 1* cylinder.

The stylish, high performance door handle is manufactured in 304 stainless steel giving ultimate corrosion resistance; it comes with a 25 year anti-corrosion guarantee on all finishes.

The quality of the materials and design of the handle offer product longevity. The door handle features a patented spring cassette which eliminates the "drooping handle" effect. The handle suits with all other Trojan furniture.
