

# Designer Door Handles

- Quick Fit
- Standard or long backplates
- 92mm PZ centres
- Suitable for door thicknesses 60mm – 70mm
- Supplied with spindle and M5 screws finished to match backplate
- Interchangeable levers and backplates
- Reversible handing

The designer range of handles by Hoppe have been developed to offer a stylish finish to a door set. The interchangeable levers and finishes make this range flexible to suit any design. The levers and the backplate are sold separately.

**Application:**

The lever/lever handle set is for use with lift lever operated multipoint locking mechanisms with a 92mm PZ centre with a choice of short or long backplate to suit the door lock fixing centres.

**Quick Fit** = Patented handle fixing design. Handle set can be fitted in as little as 8 seconds. Levers are supplied separate from backplate.

**Technical Information:**

- Material: brass / stainless steel
- Spindle: 8mm<sup>2</sup>
- Screws: 2 x M5 x 65mm and 2 x M5 x 75mm
