- Supplied as Monobloc or Quick Fit
- Standard and long backplates
- 92mm and 62/92mm PZ centres
- Supplied with spindle and screws finished to match backplate
- Reversible handing
- French door options available (page 107)
- Cast aluminium levers and backplate

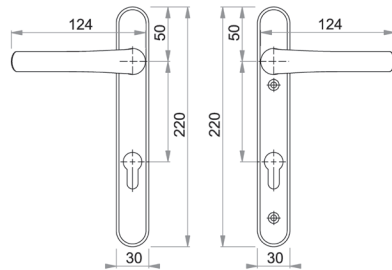

Colours:

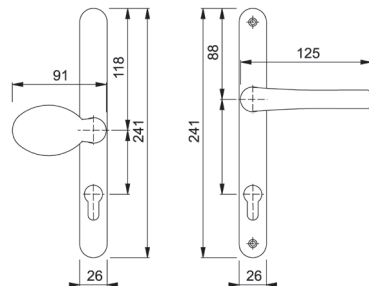

The lever/lever handle set is for use with lift lever operated multipoint locking mechanisms with a 92mm PZ centre with a choice of a standard or long backplate.

The lever/moving pad handle set is for use with 'split spindle' multipoint locking mechanisms, such as the FUHR 859 series. The lever/moving pad handles are available to suit 92mm PZ centres with standard or long backplates, and an offset variant for 62/92mm PZ centre locks (special spindle sets supplied by the lock manufacturer are required for lever/moving pad handles).
