

Kenrick Interceptor Espagnolette

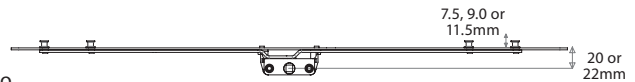

- Simple to install with no cropping
- Twin uni-directional mushroom cam locking
- Exceeds BS1670 with minimum Grade 4 (240 hours) salt spray testing

The Kenrick Interceptor espagnolette has been designed with time saving as a high priority. Every second counts during production and in order to help fabricators maximise their output, this multipoint window lock can be fitted in seconds.

The Interceptor requires no cropping and is simple to install whilst maintaining a high level of security assisting in PAS 24 compliance.

The gearbox is supplied unhandled, helping fabricators to effectively manage stock holding, and the espagnolette itself fits to most Eurogroove systems.

Technical Information:

- Backset: 20mm and 22mm Backset
- Cam height: 7.5mm and 9.0mm
- Cam adjustment: +/- 1mm
- Faceplate width: 16mm
- Bar sizes: 280mm to 1400mm
- Mushroom cam stroke: 20mm
- Mushroom cam adjustability: 1mm
- Salt spray tested to BS EN 1670 240hrs

Length (mm)	20mm Backset	22mm Backset	Number of Mushrooms	Box Qty
280	9mm Mushroom	9mm Mushroom	2	20
400	9mm Mushroom	9mm Mushroom	4	20
600	9mm Mushroom	9mm Mushroom	4	20
800	9mm Mushroom	9mm Mushroom	6	20
1000	9mm Mushroom	9mm Mushroom	6	20
1200	9mm Mushroom	9mm Mushroom	6	20
1400	9mm Mushroom	9mm Mushroom	8	20

7.5mm mushrooms are available to order.
