

# Patriot Plus

## 3D High Security Door Hinge

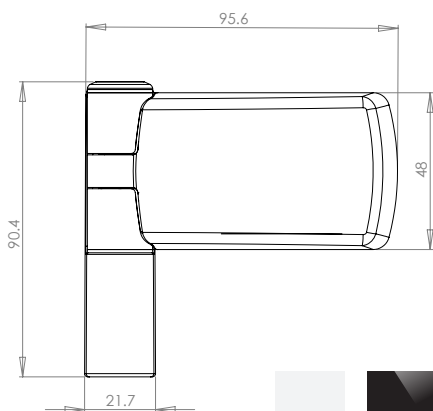

- Supplied pre-assembled and ready to fit
- Patented anti-lift feature
- Additional location pins to reduce lift
- Full 3D adjustment

High security just got easier with the Patriot Plus door hinge. Offering a slim, unobtrusive design, the hinge provides improved clearance of the plaster line and finishing.

Easy, accurate and independent 3D adjustment means no visible gaps can be seen when adjusting height resulting in clean aesthetics and increased stability. Fitting time is also extremely simple as the hinge is supplied complete, pre-assembled and ready to fit, dramatically speeding up the installation process.

The non-handed door hinge provides PAS 24 security (when used as part of a tested door assembly) with a patented anti-lift feature and additional location pins to reduce twist.

Tested for corrosion to BS EN 1670 to Grade 4 for plated finishes and Grade 5 for painted finishes.

### Adjustment and Weight Capacity:

- Height: +8mm
- Compression: +/- 1.5mm
- Lateral: +/- 6.0mm
- 3 Hinges: 80kg
