Sparta Cockspur
Window Handle

TROJAN

CYCLE TESTED 25,000 CYCLES

MECHANICAL GUARANTEE 10 YEARS

- Push to open, key lockable
- Multiple nib and height options

The ergonomic design of the Sparta Cockspur handle makes it easy to use while it's stylish design co-ordinates with the Sparta handle suite.

The lockable or push to open handle is available in 3 nib heights and with 3 wedge height options to suit a wide range of installations. A short cockspur handle is available, ideal for use in caravans.

Spare keys and cover caps are available.

Technical Information:

- Locking nib heights: 9mm, 15.5mm or 21mm
- 3 locking wedge heights: 2.5mm, 4mm or 5.5mm

Testing:

Corrosion resistance to BS EN 1670: Grade 5 for painted finishes and Grade 4 for plated finishes

Finish	15mm	21mm
